

CARPET COUNCIL

Guarantees and Code of Practice.

The carpet industry has recently introduced the Guarantee and Code of Practice. This initiative is backed by all leading manufacturers, retailers and suppliers and is designed to give you added help and reassurance when purchasing your carpet. The scheme, however, only applies to those who have agreed to be bound by the conditions laid down and so, for peace of mind, always look for the Carpet Council Guarantees and Code of Practice sign.

Shading

Remember that all pile fabrics, including velvet and seers, show 'pile pressure' sometimes called 'shading' and carpets are no exception. This is not a manufacturing defect and will not affect the performance of the carpet.
