

Step New Zealand into Wool

New Zealand is the world's major supplier of quality wool for carpets and rugs. The country's fresh, clean air and unspoilt, natural landscape produce the purest and whitest wool in the world allowing colour and texture to spring to life. Carpets and rugs also stay looking good because New Zealand Wool is so durable. Be assured that Wools of New Zealand is the mark behind the finest carpets and rugs in the world.

Wools of New Zealand only work in partnership with selected manufacturing partners who have exclusive access to the latest colour and styling forecasts, and product development trends, including new technologies for NZ wool.

Not only is New Zealand Wool natural, beautiful, hard wearing, comfortable and naturally flame retardant but, as every product carrying the mark has met twenty demanding quality tests, consumers can be sure they are buying the best.
